SOME OTHER THINGS TO CONSIDER:

Rest:

An overly tired worker may not be able to minister effectively when opportunities arise. It is important that everyone pace himself or herself throughout the weekend. It is highly encouraged to share driving responsibilities to give everyone adequate amounts of rest.

Weather:

We will be on the high planes desert in winter. It will be COLD, please prepare by wearing and bringing appropriate clothing, SLEEPING BAG, etc. Bring stuff to keep you warm.

Stops:

When stopping for gas, food or restroom breaks, please make these trips as QUICK as possible and limit the number of times you are stopping! This will ensure everyone is arriving on time.

Local area information:

The closest city is Cuba NM, about 45 minutes away from Pine Hill Church. It has a gas station, McDonalds, health clinic, and a Family Dollar. This would be for extreme needs only. These are NOT easily accessible from where we are staying, nor will our schedule allow for last minute shopping.

WHAT TO BRING Guidelines:

1. Please pack lightly.
2. Again it will most likely be cold. Dress accordingly. Also, how you dress is a part of your Christian witness; don't wear anything that would be offensive to someone else.
